Welcome to York House Dental Practice, where your smile is our priority. Located in the heart of West Byfleet, we have been serving the Surrey community for nearly five decades with exceptional dental care that combines traditional values with cutting-edge technology. At York House Dental Practice, we believe in preventive care as the cornerstone of oral health. Our comprehensive approach goes beyond treating dental issues – we partner with you to maintain optimal oral health throughout your lifetime. From routine check-ups to complex restorative procedures, our experienced team delivers personalised care tailored to your unique needs.
